

# Residual Solvents Profile

Customer: HFN, LLC  
Customer Sample ID: Cherry C  
Laboratory Number: 201812-0336  
Extraction Technician: RH  
Analytical Chemist: GB

| Extraction Date(s) | Analysis Date(s) |
|--------------------|------------------|
| 12/5/2018          | 12/5/2018        |

| Residual Solvent | Results<br>(ug/g) | Limits <sup>1</sup><br>(ug/g) | Limits <sup>2</sup><br>(ug/g) | Result <sup>3</sup> |
|------------------|-------------------|-------------------------------|-------------------------------|---------------------|
| Propane          |                   | 100-1000                      | 1000                          | Pass                |
| Isobutane        |                   | 100-1000                      | 1000                          | Pass                |
| Butane           |                   | 100-1000                      | 1000                          | Pass                |
| Isopropanol      |                   | 100-1000                      | 1000                          | Pass                |
| Ethanol          |                   | 100-1000                      | 1000                          | Pass                |
| 2-Methyl Butane  |                   | 100-1000                      | 1000                          | Pass                |
| Acetone          |                   | 100-1000                      | 1000                          | Pass                |
| Pentane          |                   | 100-1000                      | 1000                          | Pass                |
| Hexane           |                   | 10-1000                       | 60                            | Pass                |
| Benzene          |                   | 1.0-50                        | 2                             | Pass                |
| Heptane          |                   | 100-1000                      | 1000                          | Pass                |
| Toluene          |                   | 50-1000                       | 180                           | Pass                |

Empty result indicates data is less than 5.0 ug/g

1: Reportable Limits

2: Limits based on Colorado Code of Regulations 1CCR 212-1.
